LACO 3 8 7 5 75 MAY

Ordinance No. 2269, the Plumbing Code, requires a plan check fee to be paid at the time of submitting plans and specifications based on the following:

- a) A single building containing more than 180 drainage fixture units.
- b) A portable water line serving one or more buildings with an aggregate demand of more than 180 water fixture units or 100 GPM (excluding buildings under item "a" and minor accessory buildings).
- c) A fuel gas line serving one or more buildings with an aggregate demand of 2,000,000 BTU's or more (excluding buildings under item "a" and minor accessory buildings).
- d) A sewer collection system serving more than one building with an aggregate load of more than 180 drainage fixture units. (Excluding minor accessory buildings).

25% of the Plumbing PERMIT FEE required.

\$20.00 & \$1.00 for each additional building over one.

\$20.00 & \$1.00 for each additional building over one.

\$10.00 & \$1.00 for each additional building over one.
